| TANKER: 100K - 125K DWT            | \$ 6,590.00 |
| Redundant Engine/Steering Credit   | \$ 2,044.00 |
| Environmental Certification Credit | \$ 1,226.00 |
|                                    |             |
| LPG TANKER                         | \$ 4,410.00 |

These rates have been adjusted (on July 1, 2021).  
They account for increased expenses and some decline in vessel arrivals due largely to COVID impacts.
